

Our district's Sports Night a week ago was an epic success— it was an event in which students, parents, faculty and administration all came together so that the mood was ebullient and community spirit cohesive. The faculty and staff went above and beyond with their team spirit, and Cold Spring Harbor truly honored the legacy of Corey Phelan.

The current CPC board is searching for a few parents to whom to pass the baton for the next school year. If you have interest in helping to facilitate synergy between the district VIPs and the rest of the parent community, this is the place for you! Applications are here and posted on the CPC website, and they are due in my email inbox by 11 AM on Thursday, May 18th, which is the close of our final CPC meeting of the academic year.

There are three spots open for candidates to the Board of Education in this May's election. Petitions are due at the district building no later than 5 PM on Monday, April 17th. The CPC board and I will be moderating a Meet the BOE Candidates night at the PAC on Monday, May 1st at 7 PM and encourage everyone to attend.
