- Wellness Week is well on its way. Erin Rechler's head shot day was a huge success and we have people signed up for 8 Well work outs and infusions, a nutrition class, yoga, and meditative art.

 - Jeremy Thode is the athletic director at Center Moriches and started the "You will not walk alone" endeavor where is walked to 59 suffolk county schools in an effort to show solidarity with students struggling with anxiety and depression and to combat bullying and promote tolerance
 - SEPTO and FOCUS are excited to provide this presentation to the district as Jeremey has an uplifting and positive take on these issues and we hope presentation participants will leave feeling more united with each other and the community
 - SEPTO and FOCUS emailed administration and principals asking for the opportunity for Jeremy to speak directly with students.
- Our next event will be Tuesday, 4/30 which is now a Q&A with Dr. Schimpf regarding the ICT model that will be adopted for grades 2-6 next year. We implore the community both on the special education side and the general education side to attend and ask questions
