Cold Spring Harbor Central School District

Please be aware of the New York State Travel Advisory. This advisory requires individuals to quarantine for 14 days if they enter New York after traveling to states that are experiencing high rates of community spread of COVID-19. The requirements of the travel advisory do not apply to any individual passing through designated states for a limited duration (i.e., less than 24 hours) through the course of travel. We request that all staff and families carefully review their travel plans prior to departure and consider altering those plans based on the information and identified states found in the document below.

[LINK TO DOCUMENT](#)

If there are any students who travel to identified states and who do not return to New York prior to August 25 or 26, their ability to start school on September 8 or 9 will be impacted. Please fill out the required google form [Travel Advisory Notification](#) and a staff member will contact that student and family regarding the ability of that student to access remote instruction and to determine the date that child can return to school.

Thank you for your commitment to keeping our school community healthy and safe.

Cold Spring Harbor Central School District would like to continue connecting with you via email. If you prefer to be removed from our list, please contact Cold Spring Harbor Central School District directly. To stop receiving all email messages distributed through our SchoolMessenger service, follow this link and confirm: [Unsubscribe](#)

SchoolMessenger is a notification service used by the nation's leading school systems to connect with parents, students and staff through voice, SMS text, email, and social media.
