PREVIOUS ITEMS

- Updates to October S&R:
 - See 11/14/23 Board of Education Meeting [Presentation on 2024-25 courses](#) where Administration announced that they would like to add a Pre-AP English 1 course for the 9th grade. Board approved the coursework but requested consideration of a title change to an honors class.
 - See 11/14/23 Board of Education recording on Choices Subscription. The Administration and Social Studies Department are still looking at additional options and hope to bring up at the December Board of Education Meeting
 - District will look to the CSH Educational Foundation and other groups, including FOCUS, to provide additional financial support to supplement the Lemelson-MIT InvenTeam® project, which seeks to develop a solution to tick-borne diseases.
- Refer to the [2021-2022 S&R Reports](#) for an accounting of historical items.
