CHAIR REPORT

"I like school. It's a good way to kill time between weekends." Zack Morris Saved by the Bell

am going to keep the Chair Report brief because I know the Community has been looking forward to having this discussion about the transition to Jr. High. Thank to Ms. Harman and Dr. Schimpf for joining us today.

I'm constantly in awe of every Parent Group in this community. In four weeks since we last met, there has been a flurry of activity. I want to thank each one of you for hard work to bring tonight's Sports Night to fruition. A special thank you to the Administration, Mr. Bongino, the Staff for coming in during off hours, Messina Market for providing dinner to the participants and the volunteers. If you haven't attended, bring your school spirit (perhaps some earplugs) and get ready to see pure joy amongst our students...all while supporting Corey's Promise.

As mentioned, its nomination season and CPC is accepting self-nominations for our Executive Board. I will send out further details about each of our positions. Per the rotation, board positions will correlate to the following:

WSS – Chair

LH – Vice Chair

CSH – Secretary

GH – Treasurer

While most of us currently serving as officers are OK with staying on another year, we are all happy to allow new talent the opportunity to enjoy a CPC board position. Self-Nomination Forms have been provided to each PTG and is available on our CPC website (accessible through the CSH PTG website.)
