## **CSH JR/SR HIGH SCHOOL PARENT TEACHER GROUP (CSHPTG)**

Last month, the CSH PTG met with the BOE to thank them for their service and to discuss ideas and improvements that we would like to see implemented in the district. In preparation for this meeting, the PTG reached out to the high school community asking for feedback. Parents were thrilled to have their voices heard (while remaining anonymous). We received such a great response that we met with the high school principals to discuss some of the ideas put forth by the parents. As a direct result of this exercise, we already see changes at the high school. A "Junior High Corner" was introduced into Mr Danbusky's newsletter this past Friday, highlighting junior high information and accomplishments of junior high students. We were so pleased with the response from the community that we will be asking for feedback again at the end of the year.

Our CSH PTG meeting was on February 7, in person and on zoom. Zoom continues to be a popular option for our parents. Ms. Gierasch and Ms. LaGattuta presented the 2022 State Testing Scores from 7th and 8th graders.

Tickets are on sale for our 21st Annual Literary Luncheon. We are super excited to announce this year's author- Nicole Stott. Ms. Stott is a veteran NASA astronaut. She will also be visiting the Jr/Sr High school to meet with some of our students. Along with raffle baskets and silent auction items, we are also raffling off tickets to a Taylor Swift concert on Memorial Day weekend. Raffle entries are on sale now, and you do not need to be present to win.

Our Spring Apparel Sale is underway and will close on February 28. We have hats, sweatshirts, and the famous white fleece!

We are also putting together our Nominating Committee as a few positions on the Executive Board will be opening up at the end of this year.

International Night is on Thursday, March 2. This is an amazing community event filled with free food, fun, and flamenco dancers!! We encourage everyone to attend this spectacular evening.

Our next CSH PTH meeting will be Tuesday, March 14, and we hope to see everyone there!
